For your cruise ships...

Haima Carpet — Specially designed to make your ships all particular

COMPANY Introduction

Weihai Haima Dahua Carpet Co.Ltd. specialised in carpet manufacture, was established in Weihai, China, in 1958 and supplies carpets to both hospitality and commercial sectors. IMO certified Axminster carpet are used for cruise ships worldwide for over 15 years. Our clients are clearly enjoying our cooperation for our long-time expertise and high quality carpet manufacture with strict quality control process and advanced technology innovation as well as particular carpet designing for the ships.

Haima has been influenced by thousands of years of Chinese carpet culture and Confucianism, which is reflected in the company philosophy, 'Professionalism creates Harmony'. Haima has an international reputation and a widespread sales network across China and overseas, with sales in more than 60 countries.

In 2017, the Chinese Carpet Industry Association announced that the total sales volume of Haima Axminster carpets had reached 3.9 million square metres, setting a world record and enabling Haima to become a global leader of Axminster carpet manufacturing. Haima printed carpets had reached 8 million square metres, setting a newest record in Asia.

Intelligentized Manufacturing System

Haima does not only have the biggest Axminster factory, but also the most complete and advanced intelligentized carpet manufacturing system in the world. All the core equipments have become automated and intelligentized. Haima is one of the representative enterprises with most technological content in the world carpet industry.

What does Haima Axminster carpet differ from other mills?

- 1. With three innovative techniques, Haima successfully have no shading issues and warrant for 3 years against shading for Axminster carpet.
- 2. With strict control on shrinkage of carpet, Haima guarantees design matching for joining patterns.
- 3. The newest yarn system enables Haima carpet to perform a much better durability for airport, casino and heavy traffic areas on ships.
